| **Notification** | |
| **Product Code** | B6LZ-610 |
| **Short Description** | 10 Mtr grey patch cable, LSZH |
| **Full Description** | Category 6 cable, commonly referred to as Cat-6, is a cable standard for Gigabit Ethernet and other network protocols that are backward compatible with the Category 5/5e and Category 3 cable standards. Compared with Cat-5 and Cat-5e, Cat-6 features more stringent specifications for crosstalk and system noise. The cable standard provides performance of up to 250 MHz. |
